Dear FCC Staff:

This request for waiver is being filed in regard to the above referenced Form 471, for funding year 2011, which was postmarked outside the application window. The funding request is associated with the 2nd year of a 3 year telecommunications services contract with AT&T Corp and MI Bell Telephone Co, for the period 10/26/2009 through 10/7/2009. Failure to meet the funding request deadline was caused by my inexperience processing multi-year contracts. Having learned that I did not need to file a Form 470 for services covered under multi-year contracts, I mistakenly assumed I would also not need to file Form 471 for the remaining years of the contract. The E-rate program has permitted our library to maintain a high quality of telecommunications services to our community, despite severe budget constrictions over the past 3 years. Failure to receive these requested E-Rate funds for 2011-12 will have a detrimental impact on our operations.

Your consideration of this request for a waiver is deeply appreciated.
